Dear Ms. Mullins and Friends:

Thank you so much for the many donations of fresh flowers that you have provided for the children of Maryhurst. The girls love being able to choose flowers for their dorm rooms! Your generosity helps us to provide a loving, nurturing, and healing environment for the children of Maryhurst to move beyond the trauma of abuse and neglect that they have suffered.

More children than ever need our help, and for many, Maryhurst is the only answer. Recognized as one of the few agencies in the country capable of caring for those who are among the most traumatized victims, Maryhurst helps those who have nowhere else to turn for healing and hope.

We could not do it without you! Please know you are making a tremendous difference in the lives of those children and families in the greatest need. Thank you for caring about our children and their families that we serve.

In our journey of hope,

  
Judy A. Lambeth  
Chief Executive Officer
